Biomed Products

Naturally hGH

90 Tablets. Naturally hGH contains recombinant human Growth Hormone (hGH) in a 6C+100C+200C potency. This ingredient is not taken from human or animal extracts but rather synthetically produced from a perfect human blueprint, sugars, phosphates, and proteins using Good Manufacturing Practices.

Naturally hGH burns fat, builds muscle, regulates sleep, and reduces stress.

Chew 5 days a week three times a day, when you wake, the middle of your day, and when you sleep. Do not consume any food or liquid 10 minutes before and 10 minutes after taking this product to maximize effectiveness.

These tablets contain lactose.

Endurance Plus

90 Tablets. Endurance Plus contains recombinant Insulin-like Growth Factor 1 (IGF-1) in a 30C potency. This ingredient is not taken from human or animal extracts but rather synthetically produced from a perfect human blueprint, sugars, phosphates, and proteins using Good Manufacturing Practices.

Endurance Plus (IGF-1) improves memory and focus, tones muscle, controls appetite, and gives you more energy, strength, and endurance.

Chew 5 days a week three times a day, 10 minutes after a breakfast, lunch, and dinner. Do not consume any food or liquid 10 minutes before and 10 minutes after taking this product to maximize effectiveness. Increase your water intake during your day.

These tablets contain lactose.

Athletic Edge

90 Tablets. Athletic Edge contains recombinant human Growth Hormone (hGH) in a stronger 6X+12C potency. This ingredient is not taken from human or animal extracts but rather synthetically produced from a perfect human blueprint, sugars, phosphates, and proteins using Good Manufacturing Practices.

Athletic Edge heightens libido, builds muscle, burns fat, and regulates sleep.

Chew 5 days a week three times a day, when you wake, 10 minutes before you exercise, and when you sleep. Do not consume any food or liquid 10 minutes before and 10 minutes after taking this product to maximize effectiveness.

These tablets contain lactose.

Natural Menopause Relief

90 Tablets. Natural Menopause Relief contains recombinant Insulin-like Growth Factor 1 (IGF-1) in a subtle 6C potency. This ingredient is not taken from human or animal extracts but rather synthetically produced from a perfect human blueprint, sugars, phosphates, and proteins using Good Manufacturing Practices.

Natural Menopause Relief aids in the regulation of hormones, relieving symptoms of PMS, menopause, and helps to control appetite and urges.

Chew 5 days a week three times a day, 10 minutes after a breakfast, lunch, and dinner. Do not consume any food or liquid 10 minutes before and 10 minutes after taking this product to maximize effectiveness. Increase your water intake during your day.

These tablets contain lactose.

CSE®-12 Epidermal

2 Ounce Liquid. CSE®-12 Epidermal contains homeopathic recombinant Epidermal Growth Factor in a 12C + 30C potency.

EGF is a multi-purpose growth factor that is integral to the repair and healing of epithelial, ectodermal, and neuroectodermal surface cells. EGF helps heal the GI tract, especially the stomach, small intestines, pancreas and liver. EGF also helps sprout neurons and epithelial cells in needed areas throughout the body, including the gums.

Take 10 drops 3 or 4 sessions a day as directed.

Inactive Ingredients: USP purified water, glycerin, citric acid, and sodium benzoate.
